A wide-angle photograph of a modern, open-plan office. Several people are seated at long white desks, working on multiple computer monitors. The office has large floor-to-ceiling windows that offer a view of a city skyline. The interior features a mezzanine level with a glass railing on the left, and the floor is covered with a dark carpet patterned with small white stars. The lighting is a mix of natural light from the windows and modern, minimalist pendant lights.

Het 'conventionele' gelaagde securitymodel

A modern office interior with large windows, multiple computer workstations, and ergonomic chairs. A person is visible working at one of the desks. The office has a clean, minimalist design with a concrete ceiling and large circular pendant lights. The floor is covered with a patterned rug. The text 'Applicatiebeheer' is overlaid on the image in a large, white, sans-serif font.

A high-angle, wide shot of a modern office space. The room features large windows with horizontal blinds, allowing natural light to filter in. A curved, light-colored desk is the central focus, with two men working at it. One man is standing and leaning over the desk, while the other is seated. The desk is equipped with multiple computer monitors, keyboards, and other office equipment. A large, dark, diagonal structural beam crosses the frame from the top right towards the bottom left. The overall atmosphere is professional and collaborative.

Tips tegen Shadow IT

Maak kenbaar waarom Shadow IT ongewenst is

Wees niet 'doof' voor kritische opmerkingen of vragen vanuit eindgebruikers

Biedt alternatieven en help de gebruikers het optimale uit de beschikbare tooling te halen
